

How to Access Nilai University Library e-Databases (IE)

Open the Internet browser that you have configured with the Nilai University Proxy Server. Visit the following URL>> shown in the **Figure A** below:

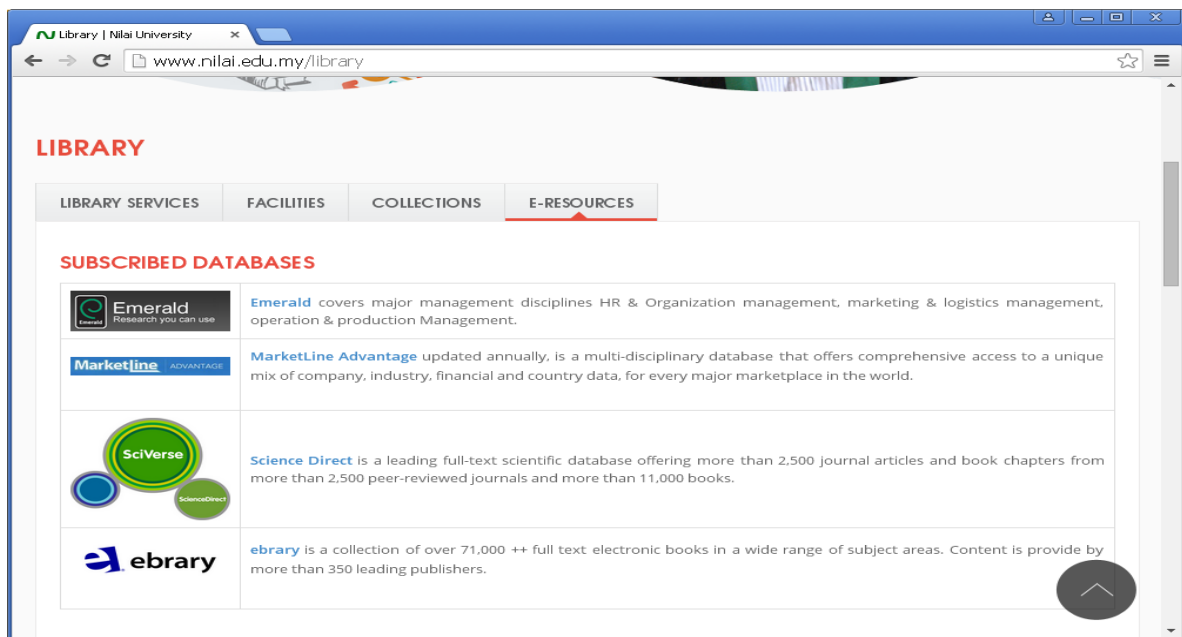

Figure A: Nilai University–Library E-Resources Page

Click either on the listed e-Database link as shown in the Figure A. The Database page can be accessible after authenticated successfully. To login into the proxy server, student must login using their student ID/password normally used in Computer Lab/Library.

User ID /Password - Guideline

Old Student ID: nxxxxxxx (Same ID used in Computer Lab/Library)

Example: n1234567

New Student ID: nxxxxxxxxxxxxx (Same ID used in Computer Lab/Library)

Example: n12345678901234

NOTE:

Your student ID password will be FULLY activated upon changed your first time default login password. Please change your default password to your desire password before use this Proxy Server.
