

INTENSIVE ENGLISH PROGRAMME (IEP)

Intensive English Programme (IEP)

The Programme

Intensive English Programme (IEP) prepares students for tertiary education with English as its medium of instruction. It helps students develop a satisfactory proficiency level in the English language that will allow them to benefit fully in a foundation, diploma, undergraduate and/or postgraduate programme.

This programme follows a skill-based approach, emphasising grammar and vocabulary development. This programme also covers in-depth listening, reading, writing, and speaking skills using task-based activities in a language-enriched environment.

Programme Highlights

Offers a unique, structured, and reliable Assessment System features such as:

- Recognized by MOHE, MQA, EMGS as the international English competency test, which qualifies as an entry/placement test to enroll into both public and private universities in Malaysia for both local and international students
- Globally accepted by more than 20,000 leading universities, employers, and governments in most countries, which recognises CEFR, Cambridge English, and/or IELTS English
- Test result is equivalent to CEFR, Cambridge English, and MUET Scales
- AI-powered, 100% online and computer-based test
- Test report that does not have an expiry date
- Results are available within 48 hours or less
- A modular test which assesses reading, listening, writing and speaking and provides the option to retake the individual skill to improve the overall score
- Internally facilitated and administered
